

## **THE CBC ON SHORE NEWS**

October/November 2004

It's a sad day when we see the water level of the lake go down and all the boats out of their slips. Truly a sign of winter winds and snows to come. Some of you will be going south, some vacationing in a warmer climate at sometime during the winter months, and some of us just hanging around here, maybe on the ski slopes of Wyoming. Whatever you do and wherever you may go, We always look forward to seeing each other again in the spring.

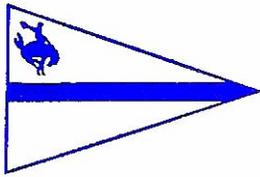

The Club is now closed for the winter season. The main gate to the Club will be closed and locked by the 1<sup>st</sup> of November. If you have left a boat on the premises of the Club, and have not made prior arrangements for removal, you will be billed a land storage fee for the winter.

In December you will receive the billing for your membership dues, and any other fees that may apply. Please be reminded that your membership and current dock space, land storage space, jet-ski ramp, etc. can only be reserved by the payment of your dues and fees by the 1<sup>st</sup> of March 2005. Also, for those of you that wish, payments in three installments can be made in January, February, and March to pay for your dues and other fees for 2005. Please phone Karen @ 237-9823 to make arrangements for payments.

A reminder: ALL improvements made to the Club, the Club grounds, docks, jet-ski ramps, etc., MUST be approved by the Board of Directors BEFORE construction begins.

Welcome new members for the 2005 season: Don & Julie Alm, Derek Dellinger, Dr. Thomas & Kathy Kopitnik, Cliff & Paula Kattner, Kevin & Lisa Eberle, and Drew Walter.

The Paradise Valley Country Club and the Casper Boat Club have set up a reciprocal agreement with each other for Restaurant and Lounge privileges on a "CASH ONLY" basis. Charging back to the Casper Boat Club will NOT be allowed. Reservations are encouraged. You MUST have your membership card with you to reciprocate.

## Casper Boat Club

Casper Boat Club's Third Annual Casino Night was a total success for the Casper Boat Club!

The Membership and the Board of Directors would like to offer a special Thanks to all parties involved.

Casino Night (September 4, 2004) was the initial showing of the "NEW" CBC owned Black Jack Tables. These tables were built just last month! Our magnificent tables were the result of CBC members getting together to build them. Now we no longer have to rent or borrow, we have our very own.

The "Tip of the Hat" for the evening goes to one special member. This project was spearheaded by **Black Jack Table Construction Master Engineer** ... **Bob Hopkins**. Bob was instrumental in designing the tables themselves, selecting materials, providing the building shop, and engineering the drink holders.

Work parties on the tables were Jeanne Hopkins, Dave & Dee Anne Simonson, Joe & Barb McPherson, Gary & Vicki Row, Chuck Bower, and Ken & Brenda Bird. Table transport and storage covers were donated and built by Ken Bird. To David Reid, many thanks for supporting and giving the Go-Ahead for this project.

We would also like to recognize our Dealers, who worked so hard for the success of this Casino Night:

Tim & Leslie Scherer

Vicki & Gary Row

Don & Laura Claunch

Gary Stokes

Leigh & Garth Shaw

Chuck & Gina Bower

Dave & Dee Anne Simonson

Michele Haygood

Some of these Dealers have volunteered their skills at all three Casino nights we've had in the past. Brenda Bird should be applauded for her attention to detail in training the dealers, providing the decorations, establishing the game rules, and her expertise as PIT BOSS for the evening, along with the set up of the gaming equipment .

We want to thank our Cashier ladies, Vivian Stokes, Paula Reid, and Jeannie Hopkins.

And many thanks to Vivian and Paula for making calls to secure donations, and to Melissa and Cheryl in the clubhouse and David Reid for keeping track of the donations. Thank you to all members who donated items for the auction. These

generous donations allowed everyone to reap a nice reward for their gambling endeavors!

Now, going once, going twice, here were the Auctioneers for the evening ... Bob Hopkins, Chuck Bower and Joe McPherson along with Mellisa as our own Vana White -- show casing the items for auction

**MANY THANKS to all who participated – this was a great end of the SEASON Function!!**
