

April 2007

Dear CBC Members,

At the time of this writing we are less than two weeks from opening the club for the 2007 boating season. We have already made some improvements to the club we are sure you will enjoy. The dining room has been painted and the wood entry way and bar walls and ceilings have been resealed. A new level concrete surface has been applied to the loading ramp and the walkways on the ramp have been replaced.

The clubhouse officially opens on April 13 and will be open Fridays, Saturdays and Sundays until May 2 when full time operation will begin. There will be a limited menu only until mid May.

I wanted to make everyone aware that a new power line has been placed just inside the entry to the lake off of highway 220. I am not sure of the height of the line but it appears to be quite low so for those of you with tall boats please be aware of this when taking your boat to the lake this season.

The Commodore party was held March 31 and was another great success. 83 people attended and the silent auction raised \$2500.00. I would like to thank the Commodore party sponsors who donated auction items and prizes:

Bundy's Marine
Casper Boat Club
Casper Mountain Motorsports
Casper Petroleum Club
Compression Leasing Services
Dorn's Fireside
First Interstate Bank
Greiner Ford
Karst Motorsports
Trina Lundy

Wells Fargo Bank
Western Divers
White's Marine Center

We have received notice that the lease amount our club pays the county will nearly double this year. After discussion your board has elected to no increase member dues to cover the increase as the club is presently in excellent financial shape.

Presently there are 20 members on the slip waiting list. We have had a number of new members join the club many of which have requested slips. All slips for this year have been assigned so the list will carry forward to next year.

The tentative schedule of events has been set and is given below. Sonya Gruner, Christy Harvey and Lynette Getter are heading the entertainment committee this year. They have many fine events planned for the season which will be added to the schedule as they are finalized. The schedule is subject to change as things fall into place so check the club website at <http://www.casperboatclub.com> regularly for updates
