

August 2007

Dear CBC Members,

July was an exciting month at the lake beginning with our annual fireworks display on July 4. I would like to thank Jim Barton for all his work in getting the display set up, completed and torn down for all of us to enjoy. The beach house party on the 7th was great fun thanks to the efforts of Sonya Gruner and her entertainment committee. The month closed out with the third annual poker run which raised a sizable sum for Jason's Friends Foundation as well as paid some nice prizes to some lucky participants. Thanks to Jim Coffman and Kim Harvey for all their efforts in this successful event.

I mentioned this last month and I am sorry to have to bring it up again but I am asking that all members **please obey all no wake rules, especially in back bay**. The board has received numerous complaints about members coming and going in back bay and not watching the no wake rules. No wake means just that – your boat should not be leaving a noticeable wake. It does not mean that you simply slow down. I realize it is a long way from Back Bay past the no wake markers but please take your time, watch your speed and control your wake. Your help with this is much appreciated.

At the end of this letter you will find the calendar of events for the remainder of the season. It is sad to see the calendar getting shorter each month, but your club still has plenty of fun on tap for the next two months. I would encourage all of you to attend the annual meeting to be held August 18 at 6:00pm at the club house. This is your chance to hear reports from your board on club operations and finances as well as select three new board members for three year terms. The annual meeting takes place the same weekend as the Classic Boat Show, so come on out, take a look at the wooden boats, get updated on your club and enjoy the weekend.

As we look into September the club will be holding its annual casino night on September 1 which is Labor Day weekend. Sheryl and her staff are planning a season ending bash that weekend on the lawn and swim beach so a good time is assured.

Sheryl, our club manager, urges you to make reservations for dinner for a couple reasons. First, it saves your spot in the crowded dining room and, second, it allows Sheryl and her staff to plan so there is always enough of the great food you want. The new bar furniture is in, so come on out to the club and let Sheryl and her crew serve you a delicious meal with top-notch service.

The schedule of events has been set and is given below. Sonya Gruner, Christy Harvey and Lynette Getter are heading the entertainment committee this year. The schedule is subject to change so check the club website at <http://www.casperboatclub.com> regularly for updates.
