Breakfast will begin to be served Memorial Weekend (Saturday 28 May 2005) and will continue thru Labor Day weekend (Monday 5 September 2005). This service is on week ends only!

There have been many activities going on all ready this season. April 2 we held the **Commodore's Party** with a great turn out. Over \$2,100 was generated for the Club's entertainment/general fund. The Board of Directors would like once again to thank everyone for their support – there were numerous items used for the silent auction, as well as door prizes. This party was held at the Casper Petroleum Club – Sandy and his staff did an excellent job in making sure everyone was accommodated with good food, drinks and surroundings.

On April 15 the Club opened and began week end service thru April with a limited but varied menu. On April 23<sup>rd</sup> the annual **Spring clean up** was done on the grounds and club house. Superb chili and corn bread along with tea, water, coffee or pop was furnished for those participants. We have had numerous members join in to make the club a truly great place to get away. Due to the excellent turn out we were able to complete numerous tasks. Sheryll and Ken had already completed numerous noticeable improvements – these were noted and have been commented on by many members. We have installed new awnings on the lower deck plus special window treatments. Please come out and see what the Club has

to offer this year! So with clean up day's raking and painting achieved; the Club is truly ship shape and ready to service the membership!!

Permission to come a board is extended to all members and guests.

We have implemented a new committee this year – **Orientation Committee**. This committee is headed by Gary Row along with Chuck Bower, Jeanne Hopkins and Brenda Bird. This committee will take all new members and walk them thru the Club House, Grounds and Docks. Each participant will receive a packet containing the CBC Bylaws, CBC Rules and Regulations, along with their gas cards, membership card, boat/trailer stickers etc. The initial maiden voyage for this group was held on April 23 with a great turn out. Every new member is required to attend this orientation before they are truly able to use the Club and its facilities. This committee is also available to current members who may want a refresher as to the Club amenities and guide lines.

May brings the **Ice Breaker** scheduled for Friday May 6<sup>th</sup> and **Mother's Day** Scheduled for Sunday May 8<sup>th</sup>. Flyers have been sent out and we would appreciate your support and participation in these events. Remember reservations are required.

**White's Marine** is having an in-water **Boat Show May 21<sup>st</sup> and 22<sup>nd</sup>** – so if you have not purchased or are looking for a new toy – Please plan on attending.

As a reminder please check out the Casper Boat Club Web Site ([www.casperboatclub.com](http://www.casperboatclub.com)) as several new items and features have been added. We are also asking everyone to review their membership information and provide updates as needed.

I hope that May will bring everyone favorable weather and good memories! See you at the Boat Club and Lake!!
