April is finally here!!! The count down clock on the Web Site is telling us that the time to begin is once again upon us. The front gate was opened 1 April and the club operations will officially begin 15 April. CBC will only be open week ends during this month. Please note the following schedule showing the days/hours of operation.

CBC CLUB HOURS 2005

Lounge & Facility	Sunday	11:00AM – 7:00PM

During this month the Casper Boat Club will be operating with minimal staff and a limited menu. Stop in to say “HOWDY” to Sheryll.

There are many activities going on to ready our fine facility for another busy, exciting and adventurous summer. Currently we have 3 weddings scheduled for this summer to be held at the Casper Boat Club. More information will be made available as we approach those dates. The Board of Directors would like to “THANK” our member ship for considering the Boat Club as a part of their plans be it weddings, family reunions, anniversaries, business parties or just general get-togethers. Please contact any Board Member or Sheryll if you have a need to utilize the Club and its facilities. This is necessary for proper scheduling of staff and associated amenities; plus insuring that we do not have any interference with any other scheduled functions. Your cooperation will be appreciated.

The Board of Directors would encourage all members to come out look over your boat dock, prepare for the up coming summer season and **Saturday 23 April** has been designated as our annual **Casper Boat Club clean up day**. The activities will begin at 9AM (0900 hours) and should conclude by 12PM (1200 hours). Please take the time and come out to support your club in picking up trash, raking etc. Plan on bring your own tools – shovels, rakes etc. Chili and corn bread plus drink will be furnished by the Club for those participating. If any one should have a large truck available for the hauling of excess material; please contact a Board member. We have some left over material from dock construction, grounds clean up and general maintenance that need to be removed to help clean up and beautify the grounds.

The Board of Directors would like to inform the membership; that due to a continued growth in membership; “ALL BOAT DOCKS are assigned” and we have an extensive waiting list. Depending on specific needs and request the wait for a dock can be 2 – 3 years.
