

July 2007

Dear CBC Members,

As you can see by looking at the club schedule at the end of this letter the schedule is shrinking. But that does not mean there is nothing to do at the lake the rest of this season! July starts out with special club hours the first week to accommodate the holiday. The club will be open Monday July 2 from 11:00am - 9:00pm with a limited Menu. Then Tuesday and Wednesday, July 3 and 4 the club will be open from 7:00 until closing with a full menu including breakfast. The annual July 4 fireworks display starts at dark the night of the 4th. This year, your club invested in some new equipment to make the display longer, better and safer. We promise you will not be disappointed. That weekend on July 7 the club will be hosting a beach house party on swim beach. Next up in July is the 3rd annual Poker Run with a Deal or No Deal contest all to benefit Jason's Friends Foundation. The Poker Run is the weekend of July 21 and 22 and you can get all the details and an entry form on the CBC web site. So, as you can see there is plenty going on at your club this month and there is even more in August.

I cannot stress enough that, while our club and lake is definitely for fun, relaxation and a good time, please remember all safety rules and precautions. A designated driver for cars and boats is always a good idea. As we saw last month on our own lake, it only takes one mistake for a tragedy to occur, so please be safe!

Sheryl, our club manager, urges you to make reservations for dinner for a couple reasons. First, it saves your spot in the crowded dining room and, second, it allows Sheryl and her staff to plan so there is always enough of the great food you want. The new bar furniture is in, so come on out to the club and let Sheryl and her crew serve you a delicious meal with top-notch service.

Unfortunately, we have had some issues with members and their guests violating the club by laws, some of which have had to be handled by your board. Remember, you are responsible for your own behavior and actions at the club as well as those of your guest. The board asks all members to review the club by-laws and rules which can be found on the club's web site. Making yourself familiar with and following the by-laws and rules makes the club more fun for all members and their guests. Also, the club strictly adheres to the Wyoming state liquor laws and the regulations placed on us by the county for our liquor license. If you have any questions or concerns about what happens at your club please feel free to contact any board member who will be glad to assist you.

A reminder – please obey all no wake rules, especially in back bay. I realize it is a long way from back bay past the no wake markers but please take your time, watch your speed and control your wake. Your help with this is much appreciated.

Finally, it is not too early to mention that the annual meeting will take place August 18 at the club, the same day as the classic boat show. This is a time for you to hear reports from your board and for you to elect new officers. This is your club and your attendance is requested and welcome.

The schedule of events has been set and is given below. Sonya Gruner, Christy Harvey and Lynette Getter are heading the entertainment committee this year. The schedule is subject to change so check the club website at <http://www.casperboatclub.com> regularly for updates.
