

THE CBC ON SHORE NEWS

April 2006

April is finally here!!! The front gate is open and club food and beverage operations will officially begin April 14th. CBC will only be open week ends during this month. Please note the following schedule showing the days/hours of operation.

CBC CLUB HOURS 2005

	April	
Lounge & Facility	Friday & Saturday	11:00AM – 9:00PM
Lounge & Facility	Sunday	11:00AM – 7:00PM

During this month the Casper Boat Club will be operating with minimal staff and a limited menu. Remember, food orders must be in 20 minutes prior to the posted closing time and please call ahead if possible so that Sheryll's staff can be more prepared to meet your expectations.

Stop in to welcome Sheryll back and greet Travis Kizer-Barnett who also returns to us this year to fill two roles. Travis will perform Grounds Keeper responsibilities and supplement those hours working for Sheryll in the kitchen. We are excited to have Travis back and look forward to being able to utilize his talents inside and outside of the Clubhouse.

The 2006 Commodore Dinner was held April Fool's Day at the Casper Petroleum Club with over 80 members and guests in attendance. Nearly \$2000 was raised for various club projects. Some photos of the fun can be seen on the photo album on the website. A special thanks goes out to Lynn Burgess and Kathy Baroody for their hard work organizing and working the event. I am also thankful for the assistance of Vivian Stokes who graciously called numerous members to remind them of this great event, completed Casper Boat Club tickets prior to our arrival, and helped tally the financial results of the auction. Jack Bradley and Steve Casher were the recipients of the ½ a beef donated to the Club and then both graciously donated their shares back to the Club to be used for the 2nd Annual Casper Boat Club Poker Run later this summer. Thank them when you see them for this outstanding generosity.

The website calendar tells us to get ready for another busy, exciting and adventurous summer. The Board of Directors would like to "THANK" our membership for considering the Boat Club as a part of their plans for weddings, family reunions, anniversaries, business parties or just general get-togethers. Please contact any Board Member or Sheryll if you have a need to utilize the Club and its facilities. This is necessary for proper scheduling of staff and insuring that we do not have any interference with any other scheduled functions. Your cooperation will be appreciated and your group will enjoy the improved atmosphere they are greeted by this year as we prepare to have the carpeting replaced in the dining room and other carpeted areas of the club.

The Board of Directors would encourage all members to come out to look over your boat dock and prepare for the upcoming summer season. **Saturday 22 April** has been designated as our annual **Casper Boat Club clean-up day**. The activities will begin at 9 am and should conclude by 12 pm. Please take the time and come out to support your club in picking up trash, raking etc. Plan on bring your own tools – gloves, shovels, rakes etc. Chili and corn bread plus drink will be furnished by the Club for those participating.

The Board of Directors would like to inform the membership that the only fee that was increased in 2006 is the monthly assessment which was increased to \$75.00 per month for the months of May, June, July and August. Maintaining

adequate cooking, bar and wait staffing levels requires the support of all members. Most members will not be impacted by this change and we hope that this increase encourages the remaining members to make better use of all our Club has to offer. Gas and Merchandise charges do not apply.

The Board of Directors is pleased to announce that due to a continued growth in membership; "ALL BOAT DOCKS are assigned" and there are approximately 20 members waiting for docks. Remind your friends that they can not get on the list for a dock until they are a member. Land storage is available while they wait. The Membership & Orientation Committee that is chaired by Gary Row and consists of Chuck Bower, Jeanne Hopkins, and Brenda Bird will be touring our new members starting Saturday April 22. This month's mailing includes your current boat and trailer stickers and membership cards. Thanks for your effort in getting the stickers installed on your trailers and boats so we can do a better job keeping our parking area clear of non-member trailers and boats.

Thanks again to Don Claunch for his creativity and hard work keeping our web site updated.

Hope to see you out at the lake.

David Simonson, Commodore
