

THE CBC ON SHORE NEWS

March 2006

Greetings from the Commodore

It won't be long before the water level will rise at Alcova and our boating season will begin. This is a good time to inspect your boat trailer. When was the last time you packed the wheel bearings? Do you have bearing buddies? When was the last time you gave them a good shot of grease? What condition are the tires in? Plenty of tread and fully inflated? Are the sidewalls beginning to get "weather cracked"? How about all the wiring and running lights? Wouldn't it be a shame to delay getting your boat on the water due to your boat trailer?

The first Club social event for 2006 is the Commodore's Party scheduled for April Fool's Day, Saturday, April 1st. I had to question if this was simply a coincidence! Once again this event will be held at the Casper Petroleum Club and has been graciously coordinated by Lynn Burgess. This party was a tremendous success last year and we appreciate all those who have contributed to make it a success again this year.

Sheryll Ulrich is excited to be returning as our 2006 Casper Boat Club Manager. She is making preparations to open the club and is thrilled to be returning to serve you. We are looking for a new Groundskeeper for 2006 as Ken Adkins decided to remain in Arizona this summer. Do you know a semi-retired individual who likes to keep busy? Please refer any potential candidates to Gary Stokes or myself. We would like to have this position filled as soon as possible to facilitate the opening of the club.

Please be aware that all Casper Boat club membership accounts need to be paid in full and current as of March 1, 2006. Billings that are not current will be considered closed and forfeited. Don't delay in keeping your account current to protect your good standing within our organization.

In case you missed it in our last newsletter, the following list details committee assignments for 2006:

CASPER BOAT CLUB 2006

STANDING COMMITTEES
