

The CBC Onshore News

March 2010

Spring is heading our way, and the best of all it is still light in the evening. I can't help but get excited for the club to open and summer to begin.

The club will open April 16th and be sure to mark your calendars for the annual clean up day on April 24th. Many hands make light work. The more volunteers we have the better. So come join us in this tradition of getting your club ready for the season.

The first event on our schedule will be the annual Commodore's party. It will be held at the Casper Petroleum Club on Saturday, April 10th, 2009 at 6:30 pm. You can make your reservations online or by calling the CBC office at 237-9823. I hope to see you there.

There continues to be a waiting list for docks. Lynn Burgess and Dave McMahan are working hard on getting slips assigned for the year.

Our budget has been set for 2010. We will soon be getting underway on our capital projects for the year. If all goes well with needed approvals the Back Bay clean up will happen, and fixing stairs around the club are top on our list.

As we prepare for our 2010 boating season I would like you to keep in mind that safety comes first. When you are getting your boats out of storage be sure to check both your boat and trailer to make sure that everything is working properly and that you have all of your safety items in check.

Our website is a valuable tool to help keep up to date with club activity. For all of your updated club information go to www.casperboatclub.com. Please make sure to review the club rules and policies when you are visiting the site.

Nick Hopkins, Commodore 2010
