## May Newsletter

The Club is open and boating season is here. The club will begin its fulltime hours on Saturday, May 3rd. On Friday, May 8th plan on joining your fellow members for the annual icebreaker at the club. Sheryll is repeating her seafood feast this year and seats are limited so call now for your reservation at 472-6922. On Sunday, May 10<sup>th</sup> treat Mom to Mother's Day Brunch. Reservations for the brunch are also required. Then join us on Saturday, May 23<sup>rd</sup> for Martinis to kick off Memorial Day weekend. Just a reminder that a \$75 monthly assessment is levied May through August on every CBC member so use you're your club regularly.

Board member Tom Brauer has resigned from the Board of Directors. I would like to thank Tom for his hard work and dedication to the Casper Boat Club. His experience and knowledge that he brought to the board will be missed. Thank you Tom for all of the time and dedication that you put into being on the board. I would like to welcome Don Coulter to the board and thank him for filling the remainder of Tom's term. Don will be up for reelection in August.

Work on the gas dock has been completed. It was a large project to undertake and the final results look great and will be a lasting improvement to the safety and durability of the gas dock. Thank you to club member Dave McMahan for the hard work that he put into making such a wonderful improvement to our club.

We held the annual club clean up day on April 25. The split rail fence was repaired, trees around the grounds were trimmed and the club made ready for the season. The old playground equipment was removed and will be replaced with new materials and relocated to the beach house area. Our project of putting a new counter at the beach house was delayed due to weather. I would like to thank all the members who came out to help and thank you to Sheryll and her staff for warming us up on such a cold day with her great chili lunch.

Please keep safety in mind at all times this boating season. Being prepared and putting safety first will help ensure a fun summer for everyone. Wyoming Medical Center offers a Life Flight program for individuals and families.
