

# The CBC Onshore News

April 2010

It is finally happening, the water is coming up and the temps are getting warmer. We have almost made it through. Although we have to keep an eye on the Wyoming Spring it can mess with us. Soon the doors will open and the docks will be floating. Be sure to make ready your trailers and boats for the 2010 season. Things to double check are your plates, wheel bearings, and all required watercraft items. For up to date boating information, regulations, and FAQ go to your Wyoming Game and Fish website at [gf.state.wy.us/fish/boating/index.asp](http://gf.state.wy.us/fish/boating/index.asp)

As many of you saw we made the papers, good, bad, or indifferent. Unlike was reported we did not have all the permits required by the agencies to start. We are continuing to push onwards so when the water drops and the ground gets hard we can go and not run into all the delays.

We will be starting some other projects now that it has warmed up. We always welcome work parties of any type. I will try to post some of them on the website when we know some dates. The first big one is the club clean up weekend on April 24<sup>th</sup>. The more help we have the quicker the works gets done. Sheryl always provides a great lunch for those who are out there. I know Lee is working on bumper stop around the loading dock and finishing details on the gas dock and wouldn't turn down help. Remember this is our club and we all have a part in keeping it up.

The Commodore's party is on April 10<sup>th</sup> at the Casper Petroleum Club, we have music, food, and fun in store come out and knock the ice off. The next functions include the Kentucky Derby party at the club on May 1<sup>st</sup>; with Mint Juleps' and for all you ladies with big hats this is the chance to show them off. Other never-miss events, plan ahead for the Ice Breaker and Mother's Day brunch. Sheryl always out does herself with great food and service at these.

The club will open with limited hours on April 16<sup>th</sup>. It will be open Friday, Saturday, and Sunday until early May when it will open for regular hours.

This just in everyone needs to log onto Wyoming Game and Fish and read the new rules about NEW INITIATIVE TO TARGET AQUATIC INVADERS. We will try to get a link on the website soon. These new rules will be enforced for this upcoming season. Please check them out.

Our website is a valuable tool to help keep up to date with club activity. For all of your up to date club information go to [www.casperboatclub.com](http://www.casperboatclub.com). Please make sure to review the club rules and policies when you are visiting the site.

Nick Hopkins, Commodore 2010
