

The CBC Onshore News

February 2009

I don't know about the rest of you, but I love summer and these past few bitter cold days just remind me of that more than ever. I saw boats going down the road the other day, which is a very good sign. It means we are getting closer to warmer weather. There are less than 80 days until the club will open for the season.

Our major project for this year remains the repairs that are needed at the gas dock. After our budget meeting in February we will address other concerns around the club, as our budget will allow. I will keep you updated about these projects in our upcoming newsletters.

As a reminder, your annual dues and fees are now due and bills for these were sent in December. Remember, to keep your membership current and to reserve your slip space, your fees must be paid by March 1st. Please notify Karen of any changes to your account. Also, if you wish to install a boatlift you must have board permission to do so prior to installing the lift. The request deadline for lifts is March 1st. The updated rules and process for boatlifts can be found on the club web site.

The first event on our schedule will be the annual Commodore's party and will be held at the Casper Petroleum Club on April 4, 2009. More details will follow on this and as last year you will be able to register for this event either by mail or on the club website.

Our thoughts and prayers go out to the family and friends of Gib McKinney, who past away this January. He was the husband of former Commodore Cheri McKinney and will be missed by us all.

For all of your updated club information go to www.casperboatclub.com.

Sonya Gruner, Commodore

A tentative schedule of club events is included below. This is also on the club's web site at www.casperboatclub.com. Please check the site regularly, not only for updates to this schedule, but for news and information about the club.
