March 2009

Spring is heading our way, and as the days get longer I can't help but get excited for the club to open and summer to begin. As we prepare for our 2009 boating season I would like you to keep in mind that safety comes first. When you are getting your boats out of storage be sure to check both your boat and trailer to make sure that everything is working properly and that you have all of your safety items in check.

The club will open April 18<sup>th</sup> and be sure to mark your calendars for the annual clean up day on April 25<sup>th</sup>. Many hands make light work. The more volunteers we have the better. So come join us in this tradition of getting your club ready for the season.

The USS Wyoming (SSBN 742) Change of Command Ceremony at which Commander William M. Combes will be relieved by Commander William C. McKinney will take place Friday, March 13, 2009. The ceremony takes place at the Naval Submarine Base in Kings Bay, Georgia. There are a limited number of tickets available at the Casper Boat Club office. For information please call Karen at 237-9823.

The first event on our schedule will be the annual Commodore's party. It will be held at the Casper Petroleum Club on Saturday, April 4, 2009 at 6:30 pm. You can make your reservations online or by calling the CBC office at 237-9823 or Laura Claunch at 266-5979. I hope to see you there.

There continues to be a waiting list for docks. Jim Coffman is working hard on getting slips assigned for the year.

Our budget has been set for 2009. We will soon be getting underway on our capital projects for the year. Repairs at the gas dock, the Back Bay dock, and fixing stairs around the club are top on our list.

Our website is a valuable tool to help keep up to date with club activity. For all of your updated club information go to [www.casperboatclub.com](http://www.casperboatclub.com). Please make sure to review the club rules and policies when you are visiting the site.
