

The CBC Onshore News

April 2009

Spring is nearly here and boating season will start soon. As you are getting your boats out of storage be sure to check both your boat and trailer to make sure that everything is working properly and that you have all of your safety items in check. Also a reminder to have your license attached. Now is the time to check your safety items, not when you are on the lake and in need of them. For up to date boating information, regulations, and FAQ go to your Wyoming Game and Fish website at gf.state.wy.us/fish/boating/index.asp

Work has begun on the gas dock. A new wall has been poured and looks great. Thank you to Dave McMann for all of his hard work. To see progress on the project please check the Casper Boat Club website. For increased strength and safety the width of the wall was increased which leaves limited space for use of the crane.

The club will open with limited hours on April 18th. It will be open Friday, Saturday, and Sunday until May 3rd when it will open for regular hours. Be sure to mark your calendars for the annual clean up day on April 25th. Many hands make light work. The more volunteers we have the better. So come join us in this tradition of getting your club ready for the season.

Upcoming events will be our Ice Breaker at the club on May 8th and Mother's Day on May 10th. Reservations are required for these events and can be made by calling the club at 472-6922.

For all of your updated club information go to www.casperboatclub.com.

Sonya Gruner, Commodore

A tentative schedule of club events is included below. This is also on the club's web site at www.casperboatclub.com. Please check the site regularly, not only for updates to this schedule, but for news and information about the club.
