Thank you for all those who showed up for annual clean up, the weekend was much better than expected and we got treated to some sun and chili. The club is looking great and ready for the season. We have been working on some minor dock repairs as well as finishing the bumper material around the gas dock and the loading docks. Thank you to Lynn on rebuilding the crane it looks great, it makes the crane now usable. We have some other projects that we will be working on. We will keep you updated as we go.

I would also like to welcome our newest board member Paulette Hahn, she will be a great addition to our board this year. She will be up for re election in August of 2010. We are all looking forward to working with her.

We had a very good turnout for the Kentucky Derby party on May 1<sup>st</sup>. Thank you to Sonya, Sandy and Jana for decorating the club. Also the hats turned out great. It was a great way to spend a Saturday and also spend an afternoon at the club. We have many more fun events planned at the club, please check the calendar and see what's coming up.

This just in everyone needs to log onto Wyoming Game and Fish and read the new rules about NEW INITIATIVE TO TARGET AQUATIC INVADERS. These new rules will be enforced for this upcoming season. Please check them out.
