

The CBC Onshore News

August 2009

As usual the summer is going by way to fast. I hope that everyone is enjoying it and getting to spend some time at the lake.

I would like to give a big thank you to Larry Rubis and his committee who put together another very successful poker run this year. It takes a lot of time and hard work and was a job well done. Generous donations were made to Jason's friends again this year. Thank you.

We have a new slip request form online. If you would like to be put on the waiting list for a dock or PWC slip go to the Casper Boat Club website to rules, forms, documents and then click new slip request form. You may also request a slip by mail to Casper Boat Club, PO BOX 2123, Casper, WY 82602.

Crew from the USS Wyoming joined us for a day on the water and dinner at the club again this year. It is always a pleasure to have the crew here at the club. Thank you to our club manager Sheryll Ulrich and her staff for working on their day off and putting on such an incredible dinner for us.

Coming up in August will be the beach party on August 15. The theme will be remembering Woodstock. The Annual Meeting will be held at the club on August 29 at 6 pm. The agenda for the meeting will be at the club. This is members' opportunity to hear the reports from your board of directors on club operations and finances for the year. This year we also have three board members up for re-election for three-year terms. Those board members whose terms expire on December 31, 2009 are Jim Coffman, Kim Harvey, and Don Coulter.

Coming up in September, we have a very funny comedian, Bryan Kellen to entertain us on September 5. It is sure to be a sold out show so get your tickets early. Fall boat washing will be the last two weekends that the club is open. Independence Pressure Washing will be out on September 19 and 20 and again on September 26 and 27 to pressure wash boats.

I hope everyone is enjoying our new web cam and weather station online. The weather is updated every two minutes and gives the temperature, wind speed, humidity, rain, and barometer information. The web cam photo looks south from the club toward Fremont Canyon and is updated every 5 minutes.

For all of your updated club information go to www.casperboatclub.com.

Sonya Gruner, Commodore

A tentative schedule of club events is included below. This is also on the club's web site at www.casperboatclub.com. Please check the site regularly, not only for updates to this schedule, but for news and information about the club.
