

The CBC Onshore News

June 2010

The summer season has officially come upon us. May went out kicking and screaming but it has left us with lots of beautiful green grasslands. Now hopefully Mother Nature will play fair and send us some warm weather. The water is still unbelievably cold but the wind has been great for those with sails.

Sheryl and her staff have done a fabulous job of opening the season with a bang. We have had some great events already with the Ice Breaker, Mothers Day brunch, Kentucky Derby party and the latest Martini night. We had five of the board at the club serving up their signature martini's. What a fun way to kick off the long weekend. Keep an eye on the event schedule for more upcoming events.

The annual Governor's Cup Regatta will take place over Father's Day weekend on June 19- 20. Boats from all around the Rocky Mountains will come to participate. So come out to watch the event and cheer on your favorite sailors.

A reminder to all, when camping at the club there is a four day camping limit and that camping spots cannot be reserved. Camp spots are first come first serve. With permission from the board members can have up to seven days on the club grounds. Please be respectful of all members and make sure that you get approval before staying longer, we have limited amounts of camping spots at the club.

Safety should be first and foremost on our minds. Please remember to be responsible while boating. Check your boat to make sure you are equipped with all of the necessary items. For extra life jackets for family and friends visiting the lake please contact your local fire station.

Our website is a valuable tool to help keep up to date with club activity. For all of your updated club information go to www.casperboatclub.com. Please make sure to review the club rules and policies when you are visiting the site. Just a reminder that a \$75monthly assessment is levied May through August on every CBC member so use you're your club regularly.

Nick Hopkins, Commodore 2010

This event list is subject to change. Please check back often.
