

The CBC Onshore News

June 2009

Summer is nearly here, the weather is beautiful and the fun in the sun has started. Safety should be first and foremost on our minds. Please remember to be responsible while boating. Check your boat to make sure you are equipped with all of the necessary items. For extra life jackets for family and friends visiting the lake please contact your local fire station.

We had a busy May with the Annual Ice Breaker at the club with a great turn out and fantastic seafood buffet. Past Commodore David Simonson presented a beautiful clock donated to the club by the Fowler family in memory of Nat Fowler.

Past Commodore Cheri McKinney is holding a memorial service for her husband Gib McKinney on Monday, June 8 at 11 am at Highland Park Community Church. You are welcome to attend to honor the life of Gib McKinney who, along with Cheri, has been a long time member of the Casper Boat Club.

A new Web Cam and Weather station have been installed at the club and can be viewed on our website at casperboatclub.com. The weather is updated every two minutes and gives the temperature, wind speed, humidity, rain, and barometer information. The web cam photo looks south from the club toward Fremont Canyon and is updated every 5 minutes. It is a great addition to our website and I would like to thank Don Claunch for installing it and doing a great job keeping our website up to date.

A buoy has been placed by the gas dock as a marker that there is a shallow point due to the construction of the new gas dock. The point is about 7 feet deep and will be removed, but for now please be aware that it is there.

The new counter at the beach house has been installed and our play set is currently under construction and will be done soon.

The annual Governor's Cup Regatta will take place over Father's Day weekend on June 20-21. Boats from all around the Rocky Mountains will come to participate. So come out to watch the event and cheer on your favorite sailors.

I would like to welcome our newest members to the Casper Boat Club.

As a reminder our \$75 monthly food and bar assessment is now in effect through August. Please remember to give your server your member number so that charges can go to the proper account.

Our Annual Fireworks Display is coming soon. Most of the expense of the fireworks display is covered by your generous donations. Please fill out the donation form that is sent to you. Every donation helps. Thank you.
