

The CBC Onshore News

October 2010

Well, the Wyoming boating season has come to an end. The club is closed and will soon be winterized for the 2010 season. It started as a cool summer for Wyoming, but when it did finally warm up it was great. And wow the last two weekends have been way to nice for fall. I hope you all got plenty of lake time.

A couple of house keeping items. If you are planning on keeping your boat at the club over the winter for storage please let Karen know. It is ok to do but we do charge land storage just like the summer months. Soon the club will be winterized and then soon after the gates will be locked for the season. Please make the necessary arrangements to move all other boats and trailers off the grounds unless you plan on using the grounds for storage this winter.

Thank our club manager Sheryl Ulrich and her staff for another excellent season at the club. We look forward to having her back next season. Thank you to the 2010 board of directors who put a lot of time and energy into making our club better every year. And a special thank you to our past commodore Sonya Gruner and Pete Ashbaugh whose terms end at the end of this year.

Thank you to all of the members for a great boating season. I look forward to seeing you next year just as soon as the ice melts. The countdown has already started for 2011. It has been a pleasure serving as your 2010 commodore.

For all of your updated club information go to www.casperboatclub.com.

Nick Hopkins, Commodore 2010
