October 2009

Well, the Wyoming boating season has come to an end. The club is closed and will soon be winterized for the 2009 season. It was a cool summer for Wyoming, but I hope you all got plenty of lake time.

There was lots of fun had on Labor Day weekend to help bring to an end the last long weekend of the summer. Comedian Bryan Kellen entertained us on Saturday, September 5 with his humor and physical comedy. Then on Sunday September 6, Sheryll, Janice, Emilee, Katie and many others put together a great Pirate party and Treasure Hunt. I was very impressed by the costumes that people wore and everyone truly had a great time.

We accomplished some big projects this year including building a new gas dock and putting a new play area for children at swim beach. Many projects continue to be underway, such as work on the beach house. We will be mounting new sail storage tubes on the back on the beach house and would like the owners of the sails that are currently in the beach house to claim their sails. The sails that are not claimed by next season will be disposed of, so if you have or ever had sails at the beach house please check to see if any are yours.

Thank our club manager Sheryll Ulrich and her staff for another excellent season at the club. We look forward to having her back next season.

Thank you to the 2009 board of directors who put a lot of time and energy into making our club better every year. And a special thank you to Kim Harvey and Jim Coffman whose terms end at the end of this year.

Thank you to all of the members for a great boating season. I look forward to seeing you next year at the water's edge. It has been a pleasure serving as your 2009 commodore.
