

# Casper Boat Club

The Lake is full!

It's time to start thinking sun, water, boats and good food. Jonathan and Courtney provided a wonderful breakfast to support the board and members in what turned out to be a productive clean up day. Thank you to all of the members that gave a full day or a few hours. Remember that this is our club. If you can fix it, pick it up or clean it up please do so! In preparing for the season there have been some major repairs and updates to the club, especially painting the dinning room. I want to thank all of the members that have been giving their time and energy to making the club a better place.
