

Casper Boat Club Newsletter

January 2014

Happy New Year! It is my honor to serve as your Commodore 2014. The Board and I are looking forward to serving you this year. I would like to thank our 2013 Commodore Dave McMahan for all the work he has done at the club. I also would like to thank our outgoing board members Paulette Hahn, Nancy Brown and Jon Dannels. Their contributions and service have been greatly appreciated.

Bureau of Reclamation Lease Update

Festi Edwards has been in contact with Dick O'Hearn, Natrona County Parks, about the Bureau of Reclamation lease which is expiring in 2016. Your Board is trying to stay on top of this so we can be prepared to take care of this important issue. I will keep you apprised of any information that we receive.

It's Dues Time!

Please remember to get your Club dues and dock fees paid by March 1, 2014. Dock dues not received by this date could cause your dock to be reassigned to paid members waiting for a dock.

Boat Trailer Stickers Required for 2014 Season

Remember to put your 2014 Casper Boat Club sticker on your empty boat trailer that you store on Club grounds. We have limited empty trailer spaces, and these are for members that have docks. Empty trailers without 2014 stickers will be subject to being towed off the property by a towing company and stored at their facility. Please help us manage trailer issues by making sure your sticker is visible. Thank you!
