

# Casper Boat Club

The Boat Club is in full swing!

The season is flying by. Minus a stiff breeze, the 4th of July weekend turned out to be a fantastic success. The night would not been complete without the spectacular fireworks display. Thank you to Andrew Burgess and crew for pulling off another safe and beautiful night. The fun is not over! We have more events coming up at the club. Remember it will be snowing in 3 months!

## This Is our Club This Is Our Club This Is Our Club

It is good to see that the club was used; and people enjoyed what our club had to offer over the holiday weekend. Unfortunately, a few people left the grounds a mess after the weekend. This is unacceptable. We need people to be responsible for themselves, this includes pointing out behavior that does not support our club.

## In regards to your dock and the grounds

The season has been especially busy with a number of repairs and updates to the grounds and faculties. Keep in mind that the boat club has no paid person to do repairs. We need your help. All the repairs are done by volunteers on their own time.

When necessary, the CBC pays for repairs to be done by a professional.

If you can fix it, please fix it.

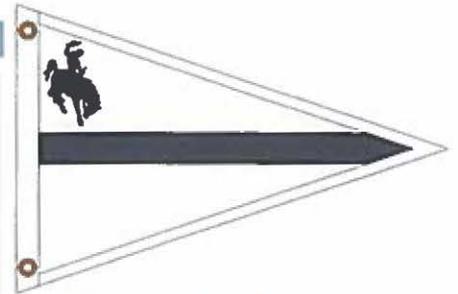

If you can pick it up, please pick it up.

If you can clean it up, please clean it up.

## Restaurant RSVP for tables of 7 or more

In order to help provide you a better meal/experience at the club and to help our kitchen be prepared we ask that you please make reservations when possible by calling the bar ahead of time.

**RSVP at the Casper Boat Club 472-6922**
