

Casper Boat Club

It's not over yet!

The season is not over yet. Two of the nicest months at the Lake are here. The Club is open through Labor day weekend. After Labor Day the club is open Friday, Saturday and Sundays. It's a great place to watch the start of the football season on the big screen! We have more events coming up at the club. Remember it will be snowing in 3 months!

Annual Meeting Saturday September 3rd 6:00pm.

Plan on attending the annual meeting. This is an informational meeting where you are able hear how our club is doing and what's in store for the coming years. We will also be electing 3 new board members at the meeting. Come early and enjoy the Happy Hour Specials. The meeting will be on the front lawn. Just a reminder that the bar and restaurant will not be serving during the meeting.

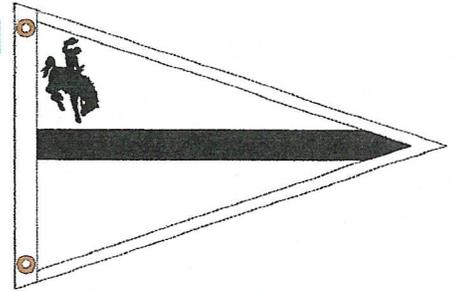

Consider Running for the Board

I can say first hand that is has been a privilege to be on the board for the boat club. Every member needs to be a part of making the club special and there is no better way than being on the board for a term. I truly have a better appreciation for the club after serving on the board. A term on the board is 3 years. The board's responsibilities are to shape the future while honoring the past. We meet the 3rd Monday of each month. Each member of the board serves on one or more committees that has specific responsibilities. If you are interested or have more questions please give me a call. Chris 262-0698
