

Our Casper Boat Club

The club is showing signs of activity! John and Courtney are busy getting the club and menu ready for the opening day, April 16th. If you are at The Club stop in and say "hello" to our new managers. Clean up day is scheduled for April 16th. Join us at The Club {weather pending} for a bit of cleaning and chorizo breakfast burritos. Please remember, we have a great club and it belongs to all of our members. If you see something that needs picked up or repaired and its something you can do, feel free to take care of it. This is our club. It's going to be a great summer.
