

Casper Boat Club

It's not over yet!

Yes the season is winding down but it's not over yet. We have 3 weekends left in September. The last day for the bar and restaurant is September 25th. We still have a lot of good menu items and drinks to be served but please keep in mind that the menu will be limited as we get closer to the last weekend. Jay Reece and Josh Wolz have stepped into the kitchen and done a great job.

Our Club

I want to share what I saw happened at the club last week. When the board asked our managers to leave it left some very big holes in the club to fill. After a few emails and calls there was a small army of members that showed up at a moments notice to take up the slack. The club was cleaned, inventory was taken and food and drinks were ordered, staff and members cooked and cleaned dishes and the a plan feel together to get us through the season. There are many people to thank but I want to mention 2 members right here. If you enjoyed the dinner last weekend it was because of John Christiansen and Ken Hampton. They put in 3 long days prepping and cooking some great food. To the other 25 plus members and board I want to say thank you for the time and energy you gave to make the club better for all our members. It is wonderful to see what makes our club so special.
