

Casper Boat Club Newsletter

March 2014

Greetings my fellow Casper Boat Club members. It won't be long before the Casper Boat Club will be open. The Club is opening on the weekend of April 26, 2014.

New Membership: The Board has decided to reevaluate new membership restrictions. For the time being, the Casper Boat Club will be accepting new members for the 2014 Casper Boat Club season. I have already asked Karen to contact the people who have been on the waiting list, so they can get their membership packets. The Board is going to do a capacity study, so we can have data to present to the membership in the future just in case the decision to close membership comes up again.

Commodore Party: The Commodore party will be held on April 5th. The Commodore party will be at the Casper Petroleum Club. Hope to see you all there.

Casper Boat Club Swap Page: Your CBC web site has a new addition. A swap page has been added where you may post your items for sale free of charge, subject to the swap page policy. You can access the swap page to view items for sale or to post your own offers on the web site. You can also view the policies on the web site.

Past Due Time!

The Casper Boat Club annual dues and dock fees were due on March 1, 2014. Karen has told me that there are still a few people who have yet to pay their dues. Please contact Karen as soon as possible at 237-9823, if you no longer want to be a Boat club member, or if you have forgotten and the check is in the mail. Those docks that are not paid for by the due date will be reassigned to paid members waiting for a dock.

Sincerely,

John Hatcher, Commodore
