

## **Casper Boat Club Newsletter**

### **June 2014**

May was an exciting time at the Club. The Kentucky Derby kicked it off with lots of fun for all who attended. People enjoyed the Mother's Day Brunch despite the spring snow storm. The ice breaker was well attended this year. 120 people enjoyed lobster tail, crab, scallops, shrimp and steak along with sides and delicious deserts. The staff and food was excellent!

#### **Monthly Surveys**

Included in your statement is a monthly member survey. Please complete this survey and return it with your bill. The board is committed to providing quality service to the membership, and your feedback is important.

#### **Casper Boat Club Events**

Please look at the enclosed flyer for upcoming events at the club. The entertainment committee has come up with some fun events to entertain the members this year. Yoga on the lawn is back; June 8 & 22, July 6 & 27 at 8:30 am. The events also will be listed on the web page: [www.casperboatclub.com](http://www.casperboatclub.com).

#### **Land Storage**

Dave McMahan and I have created more land storage spots. We still have some available. If you are needing a land storage spot please contact Karen at 237-9823.

#### **Sails and Beach House**

We will be cleaning and painting the beach house in July. If you have sails in the beach house, please mark your sails. We would appreciate your cooperation with this.

#### **Recycling**

Two aluminum recycling barrels will be placed at the club. Maryann Hoff and Nancy Means will manage the recycling bins for the club. Please use these barrels to help us recycle.

#### **Restroom Update**

There was only one person that gave us a bid to renovate the bathrooms. That bid came in at \$22,000.00. Ken Hampton felt that this would be a misuse of member's dues. Instead he and Sheryl repainted the bathrooms. He and Dave McMahan installed new toilets.

#### **New Members**

Festi Edwards will conduct a new member orientation on Saturday, June 7<sup>th</sup> at 1:00 pm. If you have been unable to attend the previous orientations, please be there. The orientation provides you with your membership card, boat & trailer stickers, vehicle stickers and important information about your club.

Sincerely,

John Hatcher, Commodore
