

Casper Boat Club Newsletter October 2015

Dear CBC Members,

After another great summer at the club, sadly the season came to an end on September 27th. The annual meeting was held on September 5th and three new board members were elected: Don Higbee, Brad Corkell and Howard Oden. Mike Harkins has resigned due to personal reasons and Mark Watson graciously accepted the remaining two years of his term. We say good bye to Nancy Means, Patrick Ellbogen and myself.

Sheryll's Last Blast was a great event and a great way to end the year! Sheryll and her staff had a banner year at the club. The CBC wants to thank all of you so much!

The board is still hard at work. The clubhouse roof has been replaced, yeah, no more leaks! The Beach House is slated to be painted and the lift station is being redone. A two bedroom/two bath man camp has been purchased for future staff housing and Chris Trujillo is having it totally redone. This puts us in good shape for next year.

Club winterizing will be done on October 16th and the gates will be locked on November 1st.

Attention Members

Just a reminder, all membership charge accounts should be **paid in full by the 20th of month** per the Bylaws. Since the season is over, please review your statement and call the office if you have any questions.

If you are interested in Winter Storage, please call Karen at 237-9823.

I want to thank everyone who helped make this an enjoyable year at the club, especially my board for all their time & work. The entertainment committee (Nancy & Kim) did a fabulous job. Thank you all for letting me serve as your Commodore for the second time. **We have a fabulous club, let's all help keep it that way.**

Dave McMahan, Commodore 2015
