July 2014

Maybe summer has finally arrived! I hope everyone can come out for the 4th of July fireworks show. The display is always awesome. In my opinion there is no better place to watch the 4th of July celebration than at Alcova Lake.

2014 Canyon to Curve 5 Mile Fun Run/Walk Race

I would like to thank Sonya Gruner and her crew for the excellent job she did on this year's Canyon to Curve 5 Mile Run/Walk Race. This is no small task to put this race on, and Sonya is more than gracious to take full responsibility to make sure the event goes off without a hitch every year. There was a record 79 participants this year, and it was a great morning for running. The winning times this year were Robert Litke with a time of 35:31 for men, and Amanda Bend set a new course record for women with a time of 37:15. The race results from this year can be seen on the Casper Boat Club Website.

Sails and Beach House

We will be cleaning and painting the beach house in July. If you have sails in the beach house, please mark your sails. We would appreciate your cooperation with this.
