February 2017

Happy New Year Everyone,

I am really looking forward to the 2017 season at the club. We have a lot of great things planned for 2017 and have secured Jay Reece to manage the club / kitchen for the upcoming season. Jay was the individual that helped us get through the last 2 months of the year in 2016. I learned a lot last year as Vice Commodore and will continue to instill the help of the Board as well as our great members who have a vast knowledge of the club to ensure a successful 2017. A few of the improvements that you can look forward to this year are:

- New Flooring in the bar and dining areas
- A "Back to Basics" menu
- Potential upgrade to the awning on the deck

I appreciate everyone's patience with the 2016 season. I am confident in our path this year and I am committed to making it a fun season for everyone.
