March 2017

Hello Members,

We had a brief glimpse of spring in mid-February and then we were brought back to reality with some good ol' Wyoming winter. One more month and the opening of the Club will be right around the corner. I am excited for the 2017 season to begin so we can enjoy the summer with family, friends and members at the lake. The membership has been very helpful in the offseason on the various committees that have focused on club improvements. The new carpet throughout the entire club will be a great improvement as well as the deck improvements we are looking to install. Thank you for your continued support. April can't come soon enough!

I look forward to seeing you all at the Commodore's party on March 11<sup>th</sup>!

**Update on the contributions towards the improvements to the club house!** We have collected enough to replace the flooring. Our target is to have the new flooring installed by the time the Club opens. We are still in **need of funds** for the blinds (bar area) and the pergola (the deck). Any amount you can contribute would be greatly appreciated. Our Club house is in need of a face lift.

**Docks-Please let us know if you are relinquishing your dock space. This information is important at the beginning of the season as we are trying to fulfill dock requests. The dock committee will be contacting you in April if you are up for a dock. Please make sure your current contact information is correct with Karen.**

**REMINDER – All dues and dock fees must be paid by March 1, 2017. If you are not going to rejoin please notify Karen by calling her @ 237-9823 or dropping her a note @ CBC, PO Box 2123, Casper, WY 82602.**
