December 2017/January 2018

Hello Members,

As we near the Christmas season we can start to count down the days until the club opens (tentatively the weekend of April 20<sup>th</sup>). The season ended well and we enjoyed some great late season boating weather. A big thanks to Dave McMahon for leading the efforts on the clean up and close down of the club and Lynn Burgess for getting the club winterized. I am excited about the new board for 2018. The addition of the new board members adds skill sets and experience to the existing board, making it even stronger.

2018 is sure to be a fun year that is packed with great events for the members. I have enjoyed my term on the board and to being Commodore. We have a great club that is one of a kind. We should all be proud of that fact. Thank you to the membership for your support in the past years, 2017, and beyond.

Thank You,

Don Higbee  
Commodore
